Book File Details:

Review: This is a cute little book. It is made up of one page teaching stories (not necessarily Zen) and short essays on how to chill (in a spritual sense). Some of the stories and essays are profound, others instructive, and some just plain vanilla, common sense or you knew it anyway and so what? Whatever, a fun read.It is totally 70s, illustrations and...

Description: The author says: There are two approaches to getting into Zen. The formal approach is to study with a Japanese Zen Master. The informal approach is an individual study program using whatever materials are available, what I call Western Zen. I see it as the next step in the radical Zen tradition. Zen Without Zen Masters represents my attempt to share...
